A Moment of Dishonour? Racism, Sewell and the Christian Response

The Government's Commission on Race and Ethnic Disparities (Sewell) Report has generated a great deal of debate within society and the church since aspects of it were launched on 31 March 2021. This webinar will be a fantastic opportunity to hear from some of the keenest minds in church and society on this report, and for you to share your opinions on these issues.

This is a joint event hosted in partnership with the Racial Justice Advocacy Forum, the Baptist Union of Great Britain and Churches Together in Britain and Ireland (CTBI).

Chaired by Richard Reddie, CTBI's Director of Justice and Inclusion, the expert panel will include:
