

## ***Update: August 2022***

Dear Friends

As we continue to pray for you and your church, we hope you manage to get some time for rest and refreshment this summer. We are aware that August can be a busy month for many churches as you seek to serve your community and express the Good News of Jesus in the places to which you have been called. We pray that in the midst of it all you experience more and more of God's steadfast love.

We offer this update in the hope it might bless, help and inform the work you are doing. In particular, we'd like to highlight the encouraging news which was announced last week concerning the Baptist Pension Scheme 'buy-in' and subsequent reduced deficit contributions. This news will make a big difference to churches which had been making large deficit contributions to the Defined Benefit part of the scheme. We're also excited to share news of our President Hayley Young's Yorkshire Three Peaks Challenge to raise money for Home Mission - please be praying for Hayley as she and her supporting walkers prepare, and encourage her with a donation if you are able. We're also sharing news of some helpful areas of our website which are well worth a look - especially the updated Home Mission and Listening areas.

Every blessing

Diane, Hilary, Jane, Mary, Mat, Mike, Paul, Sharon, Steve and Wale  
*Faith and Society Team*

## News:

### Baptist Pension Scheme

An announcement about the Defined Benefit (DB) part of the Baptist Pension Scheme was sent to all Baptist churches last week. This is good news if your church has been making contributions to the Defined Benefit part of the Baptist Pension Scheme. It will ensure pensions will continue to be paid whilst removing risk from the Baptist family. [Click here for details](#), including the letters sent to churches.

### Listening area of our website

Please have a [look at the Listening area on the website](#) which has information on a variety of topics, including human sexuality. This is not an exhaustive area and we are constantly adding and updating as new resources are shared with us.

We are aware that a number of churches are having prayerful conversations about human sexuality. To aid your reflection you may find the 'Listening area' to be a helpful place to visit. It shares the background to the conversations which have taken place over the past few years, as well as [Lynn's recent letter concerning discernment about marriage and Accredited Ministry](#).
