

Barnwell Baptist Church at Marleigh Invites you to a Vision-Sharing Day Thursday 20th October 2022

Come and hear the story of our journey, from the early days of partnership with local developers through to the exciting current day realisation of a **missional opportunity** that is 10 years in the making. Join us for a presentation and tour of the development and catch the excitement as we explain how we're living out our core value (Loving God, Loving People) by partnering with local residents to support life in this emerging community.

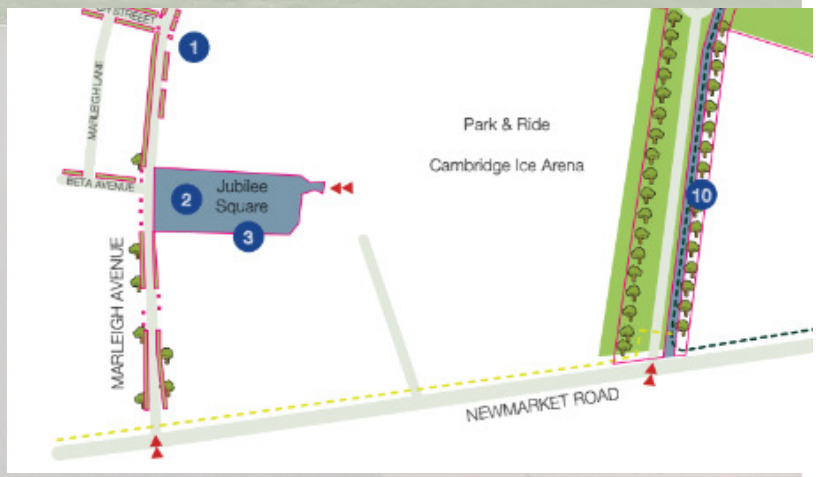

12.30 - 2.00 Church Leaders Lunch

- including opportunities to enjoy food, ask questions and consider how churches might partner with us in prayer, resource and support.

4.30 - 8.00 Open Drop-In

- including light refreshments, a walking tour whilst it's light, an opportunity to ask questions and to consider how you might partner with us in prayer, resource, support and on-site.

The event will be hosted in "The Hangar" (community centre at Marleigh) — park for free in Newmarket Road Park and Ride (CB5 8AA) and walk through to Jubilee Square where you'll find "The Hangar" on your left.
