Historic England

Dear Katie,

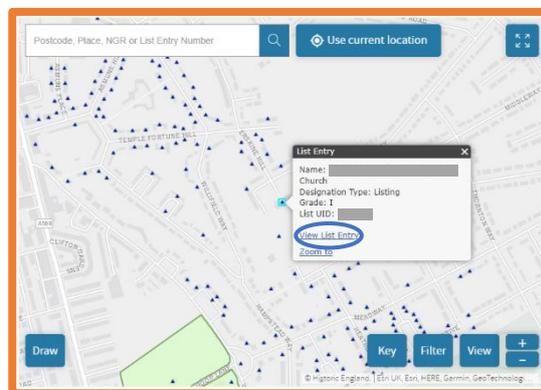

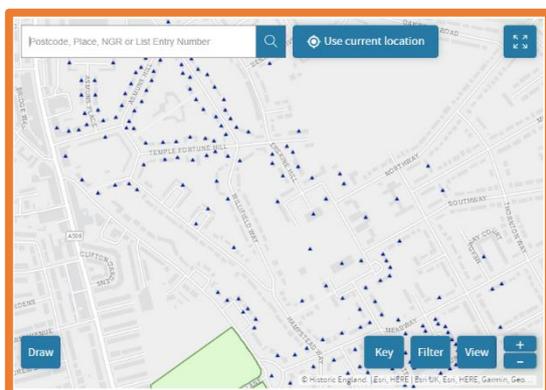

Thank you for registering with Historic England.

Once your account is activated, you will be able to:

- contribute a photograph or text to a Heritage List entry using 'Enrich the List'
- apply for an historic site or building to be protected by listing
- and see your own listed building applications.

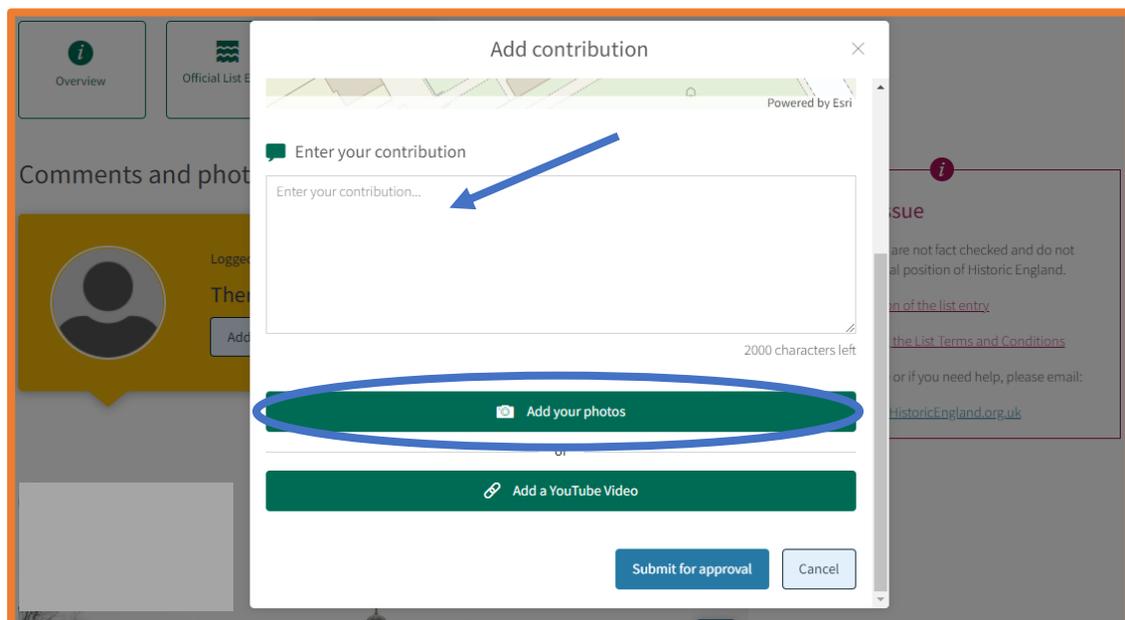

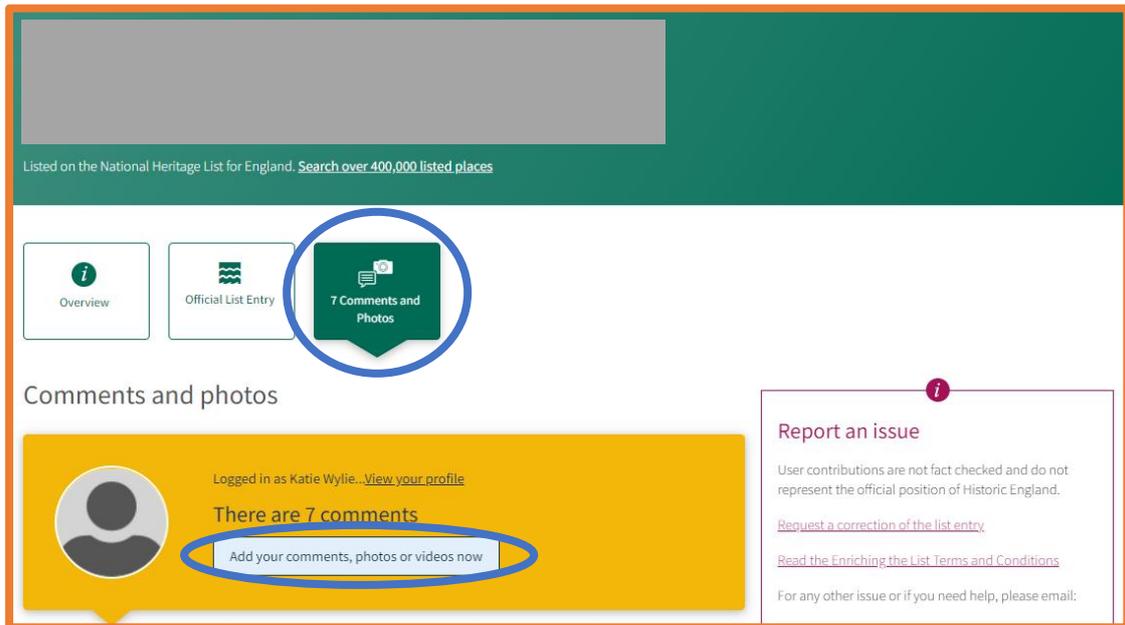

2. Find your church on the List at <https://historicengland.org.uk/listing/the-list/>.

Search using keywords, postcodes, or the map. If you enter a postcode, you will be shown a map with all the local listings marked by triangles. Click on the triangle above your church to bring up its List Entry.

3. Make your contribution!

Once you are in the List Entry, click on 'Comments and Photos' and then 'Add your comments, photos, or videos now'. Enter your comment in the text box and attach any images using the 'Add your photos' button. Click 'Submit for approval' and Historic England will review your contribution – then it will appear under your church's listing!

Things to Remember:

Remember that comments can be up to 1,000 characters and that you can add up to four images per post. We recommend trying to stay concise, relevant and friendly as much as possible.

4. Let us know you've taken part [here](#).

Now is a great time to 'Enrich the List' because we are here to support you! Let us know how you found the experience, or what help you need, by answering our short [questionnaire](#) – which should take approximately five minutes to complete.
