

# What Have They Done?

**G**abriel sings  
Gabriel pings  
into my in-box  
Gabriel dings  
the bell which  
wakes

me from my slumbers  
takes  
me by the hand  
shakes  
me from complacency

A drought  
A famine  
A revolution  
A war  
A drought  
A famine  
A revolution  
A war  
A drought  
A famine  
A revolution  
A war

Gabriel sings  
praises to the God  
who rules

A drought  
A famine  
A revolution  
A war

Gabriel wings  
a message  
a cry  
for help  
a cry  
for justice  
a cry  
for a voice

amidst dancing kittens  
wannabe somebodies  
basejumping daredevils  
lipsync challenges  
and self-improvement

self  
improvement  
improving  
the self  
improving  
your self

improving  
my self  
improving  
my selfish  
self

Gabriel wings

a message  
a cry

for help

a cry

for justice

a cry

strangled  
by the noise  
of Barbie-marketing,  
Elon-Trumpeting  
Tate-hate

a cry

gentle weeping guitar  
gentle weeping God

a cry

What have they done?

What have they done?

What have they done?

What have they done?

What have they done?

What have they done?

What have they done?

What have they done?

What have they done?

What have they done?
