IMPORTANT NOTES:

Where churches did not complete an Annual Return their last known figures were used to calculate the totals above. However from 2014 this does not include baptismal figures. From 2014 these are the actual numbers of baptisms reported through the Annual Returns.

The numbers for children and young people are those with whom churches had contact during the week, NOT attendance at Sunday worship.

From 2021 Data from Churches which are members of Associations but Not members of BUGB has not been listed due to too little data being received.
