

Regent's Park College

Our full Ministerial Formation programme, together with placement in a local church, comprises:

- Tuesdays during term time (25 Tuesdays a year) in College
- 4 Block weeks or part block weeks a year in College
- One Regional Reflection Day a term (3 a year) hosted by students and staff
- Supported by further material on a virtual learning environment and online

We have places we can offer to those:

- Who were planning to start their ministerial formation this September. This would be on our BTh suite of courses at undergraduate level
- Who have successfully completed one year of an undergraduate degree (120 credits) and who can apply for dispensation from year 1 of the course
- Who already have sufficient theological qualifications to meet the Baptist Union requirements (undergraduate diploma or equivalent) and need further ministerial formation. This pathway is based on block weeks and reflection days and does not require attendance every Tuesday.

We are not in a position at this point to be able to offer places on any postgraduate courses for new or continuing postgraduate students.
